### Introduction

=====

From time immemorial man has been preparing to face uncertainties and struggling to overcome difficulties in life. Broadly speaking the difficulties and conflicts he faces can be categorised as physical on the one extreme and spiritual on the other, intervened by various other stages like ethical, intellectual, emotional, filial, occupational, professional, societal, national and so on. While enormous education, training and efforts go into tackling difficulties, conflicts and uncertainties at the basest physical level onwards, these are waning with the progression to the noblest spiritual level. It is towards strengthening in this direction that man has evolved rituals and faith in that Universal Power and set out in search thereof. Ideally, man should turn everything he does into sacred with a view to know himself and his God and towards this strengthen all his faculties. Sandhyaa vandana, worship of Gods three times a day at the junctures of Night-Morning-afternoon-evening, invoking their blessings and strength, is one such important activity.

### Brahmanas

=====

A Brahmana deserves to be called so only when he conducts himself in the ways approved in the scriptures and also performs at least the basic ritual called trikaala Sandhyaa-vandana. Sandhyaa vandana is a daily duty for a Brahmana after upanayana. It is very auspicious and sacred also. Trikaala Sandhyaa vandana means paying obeisance to the Lord, three times a day, i.e., during sun rise, noon and sun-set. It is called Sandhyaa Vandana also because the obeisance is offered at the junctures of 1. Night and day, 2. morning and afternoon, and 3. Day and night. The first one, praataH Sandhyaa, is performed when the sun is about to rise and the stars are still aglitter in the sky. The second one, maadhyaahnika, is performed during the noon time. The third one saayaM sandhyaa, is performed just before the sunset. These junction times are regarded as highly sacred for this purpose.

### Preparation

=====

The basic preparation is to cleanse the body externally. For praataH Sandhyaa, it will be by means of the morning bath and for the other two it will be by means of washing the legs, hands and face. After this, You will wear clean clothes specially meant for this purpose. The practice is to wear a dhoti and a shalya.

Thereafter, quietly sit on either a kR<sup>i</sup>shhNaajina (deer – skin seat) or on wooden plaque placed on the floor, in the pooja room (select some other neat place if pooja room is not available. While for praataH Sandhyaa you can face either East or North, for the other two you have necessarily to face North. Keep readily available minimum three vessels, two with clean water (one for Achamana and the other for Arghya) and ladle (spoon) and the third one empty (arghya paatra). (Hereafter, the water meant for Achamana is abbreviated as "AchW", the one for Arghya as "ArgW" and arghya paatra as "ArgP"). Also ensure that you have complete privacy during the whole process and avoid external noises like music systems, TV, talking to others etc.

You will also take the following steps for praataH Sandhyaa only. Keep a set of mudras (five metallic stamps with different shapes explained later) and gopichandana (a special variety of mud ball). Then, apply gopichandana on your body. Generally, if available, nirmalya tiirtha (holy remnant water after devara pooja by self or someone) is used for this purpose. In case of unavailability of nirmaalya tiirtha ArgW can also be used.

Start the process invoking the blessings of the Lord by reciting the following mantras.

श्री लक्ष्मीवेंकटेशाय नमः ॥

श्री गुरुभ्यो नमः । परम गुरुभ्यो नमः ॥

श्रीमदानंदतीर्थ भगवत्पादाचार्य गुरुभ्यो नमः ॥

श्री वेदव्यासाय नमः ॥

हरिः ॐ ॥

गोपीचंदन पापञ्ज विष्णुदेह समुद्भव ।  
चक्रांकित नमस्तेस्तु धारण मुक्तिदो भव ॥

Simultaneously, place a spoon of water (either nirmalya or ArgW) on the left hand palm, take a piece of gopichandana, rub vigorously and prepare a paste of gopichandana. Apply this paste at 12 places in the body - one on forehead, three on abdomen, one on chest, one each on shoulders,

all 4 parts of neck, one on bottom of back-bone just above trunk and one on top of head. Then, one more is applied on the right side of the chest. Some people do also apply a similar final mark on the left side of the chest, if this is the tradition that they have been taught as per their sampradaaya (custom). While applying, recite Keshavadi Dwadashanama (explained below), one naama each for one application.

The order for applying naamas are – on the forehead (keshavaaya namaH), center of abdomen (naaraayaNaaya namaH), chest (maadhavaaya namaH), front portion of neck (govindaaya namaH), right side of abdomen (vishhNave namaH), right shoulder (madhusudhanaaya namaH), right side of neck (trivikramaaya namaH), left side of abdomen (vaamanaaya namaH), left shoulder (shriidharaaya namaH), left side of neck (hR<sup>i</sup>shhiikshaaya namaH), back side (above tunk) (padmanaabhaaya namaH), back side of neck (daamodaraaya namaH) and on the head, on the chest (shriivatsaaya namaH). The shapes of the paste applied will be as follows. On the forehead : one set of vertical parallel lines (first apply the paste with the forefinger and later run through it with a wet cloth/finger). On the chest: heart (lotus leaf) shape. On the shoulder: leaf shape (preferably with a stem). Elsewhere: deepaakaara (burning candle light shape). Concentrate on the mantra and quickly go through the process of applying the paste instead of trying to perfect the shapes.

After applying gopichandana, apply mudras as follows in that order.

chakra mudra: one on right side of eye, five on centre of abdomen, three on heart, two on right of abdomen, three on right of chest, two on right shoulder both sides of naama, two on right of neck, one on front of neck, one on left shoulder below the naama.

shankha mudra - one on left side of eye, one on left of abdomen, two on left of chest, two on left shoulder both sides of naama, two on left of neck, one on right shoulder below the naama.

gadaa mudra - one on forehead, one on left of abdomen, one on left of chest, two on left shoulder both sides of naama below shankha mudra.

padma mudra - two on chest, two on right abdomen, two on right shoulder both sides of naama below chakra mudra.

naaraayaNa mudra - one each overlapping on all mudras and naama.

प्राणायामः ..... (2)

[This is preamble for Gayatri aawahana i.e. welcome, for this Sri Hari or Paramaatmaa is *R<sup>i</sup>shhi devataa and devii gaayatrii is Channdassu.* Practice of praaNaayaamah cleanses one of impurities and provides a resurgence of spiritual energy to revitalize one's saadhana.

In order to extinguish the sins or effect of base deeds in the previous night for praataH Sandhyaa this verse is uttered. The pramaana says that this mantra will destroy all the sins committed previously or previous

night if it is praataH Sandhya, morning if it is mandhyanika Sandhya and it is afternoon till evening if it is sayan Sandhya.]

ॐ प्रणवस्य परब्रह्म ऋषिः । परमात्मा देवता ।  
देवी गायत्री छंदः । प्राणायामे विनियोगः ॥

ॐ भूः । ॐ भुवः । ॐ स्वः । ॐ महः । ॐ जनः । ॐ तपः ।  
ॐ सत्यं । ॐ तत्सवितुर्वरेण्यं । भर्गो देवस्य धीमहि धियो यो नः  
प्रचोदयात् । ॐ आपोज्योतीरसोऽमृतं ब्रह्म भुभुवःस्वरोम् ॥

[A married man should hold the nose in all His five fingers while performing this and bachelors and saints/seers should hold through three fingers i.e. index, thumb and small fingers. This praaNaayaamaH has three parts to perform and it is called rechaka, pUraka and kumbhaka. To start with one has to leave the air from right side of the nose (1 unit of time) that is called rechaka, secondly one has to inhale the air from left side of nose (2 units of time) i.e. called pUraka and finally holding the air for 3 units of time i.e. is called kumbhaka.

Meaning of this mantra is as follows : OM = Paramaatmaa who has all the virtues is to be called OM, bhuuH = gunapUrna (complete virtues or characters), bhuvah = wealthy never become pauper or most prosperous, svaH = always happy, mahaH = prayed as the best or excellent, janaH = creation of the world by Him, tapaH = one who has the complete knowledge, satyaM = one who controls or decides about the liberation.

yaH = this paramaatmaa, naH = ours, dhiiyaH = mind, prachodayaat.h = initiates, tasya = of this paramathmaa, savituH = cause of creation, devasya = special characters, vareNyaM = prayed by all, bharga = paramaathmaa in knowledge form, dhiimahi = pray for Him.

Apo = paramaatmaa, jyoti.h = cause of brightness, rasaH = has got essence or substance or aananda ruupa peaceful, amR<sup>i</sup>taM = *does not have extinction*, bhuuH = complete virtues or characters, bhuvah = prosperous and wealthy always, svaH = always happy, OM brahma = all virtues of Paramaatmaa, dhiimahi = praying for You.

The gist of this verse is:

Sri Hari in the form of Sri Gayatri is complete with all divine virtues, always prosperous and wealthy, always happy, considered to be the best or excellent, one who creates this world, one who regulates this world and one who is being prayed by all of us.

Further, Sri Hari or paramaatmaa also has the power of creating the brightness (enlightenment), does not have extinction, has complete knowledge, is always prosperous and wealthy and has got complete virtues, is the

paramaatmaa (Supreme Being) whom I am praying.]

[For any prayer or performance of any sacred work whether it is Sandhyaa, puja, yagna, or any ritual performed by any individual this customary sankalpa has to be narrated. It denotes the commitment and determination of the performer to rightfully and sincerely perform such sacred rituals. Here in this sankalpa it is nothing but remembering which of the samvatsara (year), period or season (R<sup>i</sup>tau), month (m<sup>A</sup>se), the half of lunar month (pakshe), lunar day (tithau), day (vAsare), star of the day (nakshatre) has to be according to the calendar. Kaala, i.e. kaaladevata is equally God. Even one has to remember that the prayer is initiated by paramaatmaa and to get His blessings love, I am performing the respective ritual. This is a must as it has been understood that without this sankalpa the prayer or ritual will not materialise or not received by the God.

The need for this is to totally concentrate on the present moment instead of the usual mind's habit of either brooding over the past or dreaming of the future.]

[maarjanam.h means cleansing or scouring. It is again purifying the body and mind for offering Arghya and chanting Gayatri mantra.

For *R<sup>i</sup>k mantras sindhudviipa is R<sup>i</sup>shhiH, paramaatmaa is devataa and Gayatri is chhandassu.*

Here is the substance of this verse. It is prayer to Water related devataas (aqua-Gods).

”Hey, Water related devataas, You are bestowing on us happiness by causing the water to flow, and You bless us with grains and other related needs and also confer on us devotion and knowledge towards Sri Hari which guides all of us in the path of liberation.”

”Hey, Water related devataas, You are auspicious, You are very eminent, You are bestowing on us happiness and joy and confer on all of us love like mothers feeding and protecting their newborn kids. In order to destroy the sins which we have committed and also to acquire knowledge we are praying Sri Narayana who is omnipresent in the water and whom we are praying to bless us to lead a happy life and also to liberate us at the earliest.”]

You are the one who controls Sri Rudra who is known for His wildness  
You protect us from the sins which are caused by the ferocity and the  
initiatives of Sri Rudra devataas.”

”Hey, paramaatmaa, please also protect me from not committing sins like,  
sins during night times, sins from mind, sins by mouth or talking or  
speaking, sins through hands, sins from feet, sins from belly and  
sins through the sex organs. If I commit any sins, ratrii abhimani  
(related) devataa should bless me to wipe it off and if any of my sins  
are over, I am performing homa (burnt offering) of the same to You i.e.,  
Sri Narayana who is shining in the form of Sun.”]

ससृषीस्तदपसो दिवानक्तं च ससृषीः ।  
वरेण्यक्रतूरहमा देवी रवसे हुवे ॥ ..... (6.9)

[The first three verses are already dealt in maarjanam.h para [4].

”Aapshabda vaachya Sri Paramaatma, You bless us with the wealth of needs like drinking water, happiness and good health.” (6.3)

”Aapshabda vaachya Sri Paramaathma, the grains which are grown through water mainly referring to rice like food grains, You are the owner. You confer on us the knowledge of medicine to destroy sansaric troubles for two and four legged animals.” (6.4)

”There are different medicines in water which can cure many diseases. Hey, Paramaatma You have manifested in the form of of water to bless us with the knowledge to understand these curative medicines.” (6.5)

”Hey, Paramaatma, bless us with the preventive medicine i.e. knowledge for all diseases of my body and soul so that for long time I can visualize You in my life.” (6.6)

”Hey, Paramaatma, if I have committed any sins, if I have betrayed anybody and if I have cursed anybody or if I have mistaken any body please pardon me.” (6.7)

”Hey, Paramaatma, now I am following Your directions and Your principles and I am drowning in water, You are like fire in the water and rescue me and infuse in me Your energies.” (6.8)

There is a definite relationship between water and Narayana. Sri Hari is incarnated and is omnipresent in water. Sri Hari created water-related amruta (knowledge) to lead us towards liberation. For this purpose He created day and night abhmimani (related) devataas. For acquisition of knowledge and protection of my body (from any diseases) I am welcoming You (Narayana) to reside in my soul and body. (6.9)]

Paramaatma, the supreme head of everything, created the following in that order: four-headed Brahma, night, day and all kinds of living beings.

Paramaatma, one who is the cause of creation has created first the Sun the moon, then He created heaven, then He created the universe, then He created the sky and then He created heavenly bodies. (7.2)]

[Pratah Arghya should be offered facing the Sun i.e. facing East, you should be in standing position, seeing the Sun, both the hands should fold make like cow's face or bowl and it should be upto your nose's height.

ॐ

There is story behind this offering Arghya : Mandeha's were powerful Asuraas (demons) and they are devoted to Sri Brahma. They got a boon from Him that even if they die one day they should be born the next day. They were trying to consume the Sun God himself as a result of these Arghyas; Whenever they were killed, because of Brahma's blessings they are born the next day. It is believed this process goes on even now. In order to kill these Asuraas and to protect the Sun God for illuminating all of us, we have to offer three Arghyas on each occasion. Three Arghyas are offered as follows: the first one is to destroy the Asuraas' vehicle, the second to destroy their weapons and the third to kill them. This story has been explained in Vishnu Purana of 8th chapter.

If the prescribed time for performing Sandhya has passed, You have to offer the fourth Arghya as compensation.]

The presence of Moon and Indra is invoked to watch out Asuraas see that the later will not spoil the process of performing Sandhya and prevent the performer realising the benefits thereof. It is believed that both Sun Indra are capable of killing or destroying these Asuraas, who cause

impediments and even destroy the process of performing sacred rituals. The Lord Indra, the head of devataas, uses His weapon, Vajrayudha for the purpose.]

It is a prayer to the existing devataas who are present in different forms and taking their permission to start the sacred Sandhyaa and request or pray to them to destroy all Asuraas, devils etc who are obstructing the ritual.]

[Parvasu was killed, I am living in the hearts of arvahasu. This has been  
 told by Surya (Sun). By reciting this cut a thread of the cloth worn by  
 you and make two small pieces. Throw the one on the left hand, on the left  
 side and keep the other under the seat.

Silently think like this. Earth is like four poles i.e. four sides (North,  
 South, East West) having a seat like the turtle/tortoise (referring to  
 kurma incarnation). I am sitting on that. Parmaatma is sleeping on top  
 of snake (shesha) bed. I am bowing to You. I am bowing to Vishnu Kurma  
 (tortoise) one who is protecting the earth (Brahmanda) from destruction.

For Prithvi verse merup<sup>Ri</sup>shhTha is R<sup>i</sup>shi kuurma (tortoise) is the devataa  
 sutalam is chhandassu. After this, settle on the seat for chanting Gayatri  
 MantraH.

Prayer to Prithvi i.e. earth. All regions of Loka are covered by You,  
Prithvi Namaka Daivi, You are decorated by Vishnu vakya Paramaatma. Hey,  
Prithivi, You authorise me by purifying the seat where I am sitting.  
Prithivi, You also purify me. You are very special and I am bowing You.  
By uttering this, touch the seat and bow to it.

Paramaatma is called as OM; He has got the form of Brahma and Agni devataa.  
Like the same Brahma is *R<sup>i</sup>shi*, *Gayatri chhanddassu and in the form of OM*.

'Ayaatu' verse is to welcome Gayatri. For this verse Vasudevaka Paramaathma  
is *R<sup>i</sup>shi*, *Gayatri Pratipadya Narayana is devataa and it is in anushhTup*  
*Channdassu*.

"Hey, Wealth bestowing devataa, bless us with Brahma verse (Gayatri) which  
is immortal and is considered to be the mother of all Vedas (Gayatri);  
Please bless me Para Brahma (Gayatri verse). By uttering this Gayatri  
verse all the sins committed by me in my daily life will be destroyed  
(extinguishd)."

"I am praying to Paramaathma, who is in the form of Saraswathi who is also  
Sandhya devataa and knowledge devataa. Please extinguish, through the night  
related devataa who is none other than Sri Hari, all my sins committed in  
the night."

This is a prayer to Paramaatma who is in the form of Gayatri. "Hey,  
Paramaatma - You are instrumental for everythig, You have all the patience,  
You have all the powers, You have the vision, for devataas You are Sharanya  
(protecting them), You are ominipresent, You have complete form, You are  
controlling everything, You are instrumental for everybody's life-activities  
and enemies are being defeated by Your single word 'OM'. By all the above  
things You are being called Paramatma by the name Gayatri, the same  
Gayatri I am inviting in my mind (aahvaana), I am welcoming Savitri, I am  
welcoming Saraswati, I am inviting Chhanddassu, *R<sup>i</sup>shis*, *Parabrahma*, I am  
inviting Lakshmi and Vayu who is well known for His powers."

For Gayatri verse, Gayatri is Channdassu, Vishwamitra is *R<sup>i</sup>shi and*  
*Paramaatma* who is called very sacred (*savitR<sup>i</sup>namaka*). *This Paramaatma is*  
*in the following form* : His appearance is like fire in His body, His face  
is like four headed Brahma, He has got the heart which is covered by the  
whole universe, He appears like Rudra, He has the Sankarshana's hair, He  
is the earth, He has yoni sthana, He has five vital airs like praNa, apAna,  
vyAna, udana and samana and He has upa prana like devadatta, kurma, *kR<sup>i</sup>kara*,  
dhananjaya and naaga, His colour appears like blood and He belongs to  
sankhyasana gotra. He has been called in 24 keshava namas, His presence is  
there in all three places i.e.. earth, vaikuntha and paataala, He has covered  
in all four regions (i.e. North, South, East and West), He has five heads  
like vyakarana, shiksha, kalpa, nirukta and jyotishha this Gayatri I am  
praying and worshipping.]

[For this Gayathri verse, vishwamitra is R<sup>i</sup>shi, *Sri Lakshmi Narayana is devataa*, in order to impress Sri Lakshmi Narayana, and in order to get love and affection from Sri Lakshmi Narayana I am reciting this according to my abilities capabilities.

While reciting the japa, imagine the following picture of Sri Lakshmi Narayana who is the subject and object of your prayer. They are :

Settled in the centre of the Sun, He is sitting in the posture of a yogi (padmasana), He has been decorated with the ornament of shoulder, He has worn ear rings, He has put head gear, He has the necklace, He has the body of hiranya and He has conch shell and wheel on His both hands. The same Sri Lakshmi Narayana is the subject and object of my prayer. This prayer is initiated by Sri Lakshmi Narayana and I am praying to please Him and to get love from Him. I am chanting this verse sincerely according to my abilities and capabilities.

Take note of the following guidelines while reciting Gayatri Japa :

1. Laughing/Smiling, talking with others, looking here and there, sitting other than in the posture of yogi, hands together, allowing the mind to wander, touching the places which are below the navel portion etc., which are all unholy, should not be done.
2. Reciting should be with calmness and peace of mind.
3. PrataH Sandhyaa Gayathri japa can be recited by standing facing towards the East till the Sunrise. Later it can be recited either standing or sitting. But Madhyanika Gayathri japa and Sayam Sandhyaa Gayathri japa should be recited only sitting.
4. While counting the beads, cover the right hand either by the left hand or with a cloth and the number of Gayatri mantraH to be recited should be ten or in geometrical progression thereof (i.e. 100, 1000 etc.)
5. Pause after every 5 verses.
6. There are three methods of uttering Gayatri verses. One is by uttering loudly, second is whispering i.e. speaking through lips without being heard by any body and third silently chanting in your mind, always dwelling on their meaning. It is believed that the third method is better than the second and second one is better than the first.
7. Counting of the Gayatri verses should be done through finger beads on circular basis in clockwise direction. Start counting from middle bead of

ring finger (1), come down to bottom bead (2), traverse through bottom (3), middle (4) and top bead (5) of little finger, top of ring finger (6),

8. Hands should rest just above the navel during Pratah Sandhyaa, on the chest during Madhyahnika and on the nose during Sayam Sandhyaa.

9. Generally, the Gayatri japa should be performed at the same place where Sandhyaa is performed.]
